POLICY 28

RULES OF CONDUCT FOR FHSAA OFFICIALS

A violation of any one of these provisions may subject an offending official to a monetary penalty, suspension as an official, or both.

- 28.1 All FHSAA officials shall conduct themselves on and off the athletic field in a manner conducive to the best interests of the FHSAA, its member schools, and the interscholastic athletic program in general. No FHSAA official shall pursue a course of action which is detrimental to the welfare of the FHSAA or its member schools.
- 28.2 All FHSAA officials shall comply with all FHSAA guidelines, regulations, policies and procedures as contained in the FHSAA Officials Guidebook.
- 28.3 All FHSAA officials shall be neatly dressed in the appropriate uniform as prescribed in the Officials Guidebook, and project a physically fit appearance, when officiating a contest involving an FHSAA member school.
- 28.4 All FHSAA officials are expected to arrive on time for the contest as required by the rules of the applicable sport.
- 28.5 All FHSAA officials should be in good physical condition, mentally ready to work the best possible contest and be fully cognizant of the sport's rules. Officials are expected to make each call as they see it without fear or favor, regardless of the score, and hustle at all times.
- 28.6 No FHSAA official should fraternize with athletes, coaches, or spectators before, during or after a contest.

28.7 No FHSAA official may officiate a contest involving a school where any of the following situations have occurred within the last four (4) years:

28.7.1 his/her child or immediate a relative attends or attended;

28.7.2 the official himself/herself and/or a relative works or worked;

28.7.3 the official attended, graduated or coached;

28.7.4 Exception. A waiver of Conflict of Interest may be provided in accordance with Bylaw 8.9.5 of the FHSAA Bylaws, which states, "Coaches or other persons connected with competing schools shall not officiate in contests except with the consent of all competing schools."

28.8 No FHSAA official may officiate a varsity district contest in which the official currently serves as a coach at a school in that particular district.

28.9 No FHSAA official shall arrive or appear at the contest site with the odor of an alcoholic beverage on his/her breath.

28.10 No FHSAA official shall use tobacco or tobacco-like products during the contest or in the vicinity of the athletic field.

28.11 No FHSAA official shall engage in unsportsmanlike conduct.

28.12 No FHSAA official shall officiate a contest or part of a contest which is classified as an exhibition or practice game between two or more member schools. Such games are prohibited by the FHSAA Bylaws. This provision, however, does not preclude an FHSAA official from officiating an intra-squad contest or scrimmage in which all participants are students at the same one school.

28.13 No FHSAA official shall publicly criticize or berate a coach or other employee of a member school. Professional ethics require that officials use proper channels to report their problems rather than airing them publicly.

28.14 All officials must immediately leave the visual confines of the contest at the conclusion of officiating duties, as required by the NFHS rules of the applicable sport.

POLICY 29

CROWD CONTROL

29.1 Home/Host School. The home/host school administration is responsible for the control of spectators before, during and after an athletic contest. The FHSAA recommends that the home/host school administration secure uniformed security to assist with this responsibility.

29.2 Visiting School(s). The visiting school administration is encouraged to assist with the control of its own spectators at athletic contests. Visiting school administrators (i.e., principal, FHSAA representative, assistant principals, athletic director, assistant athletic director, assistant coaches, etc.) who are required by their principal to attend the event for supervisory purposes upon presentation of a photo I.D. must be provided complimentary admission to the event, provided the visiting school submits their names to the home/host school administration in writing not less than 24 hours prior to the scheduled starting time of the event.

29.3 Florida High School State Championship Series. Participating school administration (i.e., principal, FHSAA representative, assistant principals, athletic director, assistant athletic director, assistant coaches, etc.) must be present at district, regional, and state events when their school is competing. Administration must enforce appropriate behavior of their student/adult fan base.

29.4 Officials. The officials assigned to officiate a contest are responsible for the on-the-court or on-the-field conduct of the contest itself. In the event a spectator or spectators interfere with the conduct of a contest or cause an official to become distracted through continual, unrelenting verbal abuse, the official should immediately stop the action and report the spectator or spectators to the home/host school administration or the nearest uniformed security officer. If the home/host school administration or uniformed security is unwilling or unable to resolve the situation and the official does not believe the contest can be safely continued, the official must declare the contest ended at that point. Under no circumstance should an official ever confront, challenge, rebuke or threaten a spectator, or make gestures of any kind toward a spectator before, during or after a contest.
