

2020-21 Fall Middle School Time reduction procedure

*Only applies to regular season double header games (not playoff games)

Purpose: To clarify and equalize time reduction due to delays, typically late busses. Darkness is a major factor with middle school games starting late due to lack of adequate artificial lighting at fields.

- Eliminates confusion between coaches and referees
- Equally reduces times to both boys and girls games

2020 Civil Sunset times
 August 24th Civil Sunset is 8:19 PM (First day of season)
 October 3rd Civil Sunset is 7:32PM (Semifinal game day)

15 minute grace period, THEN reduce the halves by 1 minute for every 5 minutes late

Example for **Orange County Middle Schools**

Orange 20 minute halves five minute haltime one five minute Golden Goal then 5 kickers
